**GABRIEL W. GORENSTEIN, United States Magistrate Judge:**

The Court has reviewed the plaintiff's submissions on the damages inquest. Plaintiff is directed to supplement these submissions by filing a memorandum of law or letter on or before June 17, 2022, addressing the following issues: (1) whether the complaint alleges that defendants infringed Mattel's trademarks in connection with the sale, offer, or distribution of vehicle batteries separately from ride-on vehicles, and (2) whether case law supports the notion that a separate statutory damages award may be granted under 15 U.S.C. § 1117(c) for the subcomponent of a good that is sold.

SO ORDERED.
